ABOUT US

Sovran Chemi Solutions is a trusted manufacturer and supplier of high-quality specialty chemicals for home care, personal care, industrial cleaning, water treatment, pharmaceuticals, textiles, and food industries. We offer a wide range of products including acid thickeners, surfactants, waxes, emulsifiers, solvents, silicones, polymers, preservatives, and performance additives such as LABSA, SLS, citric acid, EDTA, carbopol, dimethicone, and fragrance ingredients.

We also provide technical support, formulation assistance, and process optimization to ensure consistent quality and reliable supply. With a strong distribution network across India, we deliver premium chemical solutions to various industrial sectors with competitive pricing and customer-focused service.
